An  Essential Utilities Company

NGV PROGRAM MILESTONES - 2018

- Peoples was awarded \$130K through the PA DEP Alternative Fuels Incentive Grant program for a vehicle conversion project, adding 17 bi-fuel Ford F150s into our fleet
- Peoples was also awarded \$273K through AFIG for the refueling infrastructure project, allowing us to complete overhauls at our Ginger Hill and Wilkinsburg facilities

Wilkinsburg CNG Fueling Station

Ginger Hill CNG Fueling Station

NGV PROGRAM MILESTONES - 2019

- Peoples was awarded \$180K, again through the PA DEP Alternative Fuels Incentive Grant program for a vehicle conversion project
- This allowed us to replace 12 antiquated Chevrolet Express vans with new, dedicated CNG Ford Transit 350 vans for our Field Customer Service group
- It also allowed us to replace 12 units of varying makes/models that ran on traditional gasoline with 12 bi-fuel Ford F150s

NGV PROGRAM – 2020 AND BEYOND

- Continue to evaluate and strategically rebuild and overhaul our antiquated CNG fueling stations, in coordination with targeted, geographic efforts to increase our NGV fleet
- Expand our internal market to include other types of makes/models to run on CNG
- Research other AFV opportunities and partnerships
